APPLICATION FOR WELL REGISTRATION FOR EXISTING EXEMPT WELL
(Well Drilled before April 1, 2011)

Exempt Well as defined in Prairielands GCD Temporary Rule 2.1(a) is:

All wells, existing or new, of any size or capacity used solely for domestic use, livestock use, poultry use, or agricultural use; An existing well or new well that does not have the capacity, as equipped, to produce more than 25 gallons per minute and is used in whole or in part for commercial, industrial, municipal, manufacturing, or public water supply use, use for oil or gas or other hydrocarbon exploration or production, or any other purpose of use other than solely for domestic, livestock, poultry, or agricultural use, except as provided by Subsection (b) of this rule; or Leachate wells, monitoring wells, and piezometers.

Complete one application for each well.

Application date: _____

-This form may be submitted in person, by mail or by fax-

Part I – Well Owner and Driller Information:

Well Owner: _____ **Phone:** _____

Contact: _____ **Email:** _____ **Fax:** _____

Mailing address: _____

City: _____ **State:** _____ **Zip:** _____

Registrant: (if other than Well Owner) _____ **Phone:** _____

Address: _____ **City:** _____ **State:** _____ **Zip:** _____

Property Owner: (if other than Well Owner) _____ **Phone:** _____

Address: _____ **City:** _____ **State:** _____ **Zip:** _____

If registrant is other than the owner of the property where the proposed well is to be located, please attach documentation to this form establishing the applicable authority to file the application for well registration, to serve as the registrant in lieu of the property owner, and to construct and operate a well for the proposed use.

Drilling company: _____ **Phone:** _____

Driller: _____ **License #:** _____ **Expiration Date:** _____

Fax: _____ **Email:** _____

Address: _____ **City:** _____ **State:** _____ **Zip:** _____

Part II – Well Location:

Well site address: _____

City: _____ State: _____ Zip: _____

Latitude: _____ Longitude: _____

GPS manufacturer used to measure latitude and longitude: _____

GPS model used to measure latitude and longitude: _____

Is the groundwater withdrawn from the well used in a location different from the well site?

No _____

Yes _____ Location: _____

Describe use: _____

Is groundwater produced from the well transported for use at any point outside the boundaries of the District?

No _____

Yes _____ Explain: _____

Part III – Primary Purpose for Water Use:

Mark (x) one box that describes the primary use of the water from the well:

☐ Domestic Use (household/lawn watering at residence)

☐ Municipal/Public Water System

☐ Livestock Watering

☐ Industrial/ Manufacturing

☐ Commercial/Small Business

☐ Golf course irrigation

☐ Solely to supply water for rig actively engaged in drilling or exploration operations for an oil or gas well, and the water well is located on the same lease or field associated with the oil/gas drilling rig (If you check this box, is the owner of the water well the same person who holds oil/gas well permit issued by the Railroad Commission?

_____ Yes _____ No)

☐ Supplying water for oil or gas in production, or supplying water to rig engaged in drilling or exploration operations for oil and gas where water well is not located on same lease or field associated with the oil/gas drilling rig.

DISTRICT TO COMPLETE THIS SECTION:

☐ Use-based D&L ☐ Use-based ag irrigation ☐ Use-based Rule 2.3 (exempt from Water Use Fee only)

☐ Capacity-based single well ☐ Capacity-based well system

Reviewed by: _____ Date: _____

The owner of an existing well that is not considered exempt under Rule 2.1 (a) must register the well with the District between April 1 and June 30, 2011 and must install a meter on the well as provided in Section 8 of the District's Rules by July 1, 2011. Failure to timely register or install a meter on the well will subject the well owner to enforcement action.
