

PRAIRIELANDS GROUNDWATER CONSERVATION DISTRICT
NOTICE OF HEARING ON HISTORIC USE PERMIT APPLICATIONS AND PROPOSED PERMITS
Monday, May 20, 2024, at 9:00 A.M.

NOTICE IS HEREBY GIVEN to all interested persons in Ellis, Hill, Johnson, and Somervell Counties, Texas: The Board of Directors ("Board") of the Prairielands Groundwater Conservation District ("District") will hold a preliminary hearing at **9:00 A.M. on Monday, May 20, 2024** to consider applications for Historic Use Permits and the proposed Historic Use Permits ("Proposed Permits") prepared by the District's General Manager in response to those applications that are listed in this notice, and to accept public comment and any requests for contested case hearings related to those applications. If an application is uncontested, the Board may make a final decision on the Proposed Permit at the hearing. Historic Use Permits approved by the Board will authorize the permit holder to pump a specific amount of groundwater each year from a well or well system for a specific purpose of use in compliance with the District's Rules based on the applicant's maximum past pumping and beneficial use without waste in a single calendar year during the existing and historic use period, as explained in detail in the District's Rules. The Proposed Permits referenced in this notice are based upon the recommendation of the General Manager after completion of an administrative completeness review, a technical review, and consideration of the applicable criteria in the District Rules. These Proposed Permits shall be subject to the terms and conditions set forth in each permit, the District Rules, and applicable law. Each Proposed Permit and its underlying application are available for inspection at the District's office.

The Board may grant or deny in full or in part a permit application, and issue a permit in any amount less than, equal to, or exceeding the amount claimed in the application, based upon the weight of the evidence received at the hearing and notwithstanding the General Manager's recommendation and Proposed Permit.

Any person may appear at the hearing to speak for, on, or against an application. However, persons wanting to request a contested case hearing on an application must submit a written request for a contested case hearing to the District that contains the information required by the District Rules. Written requests for a contested case hearing must be received at the District at any time prior to board action on the application, and in no event later. To protest or otherwise participate in the Hearing on one or more of these applications, a person must appear at the Hearing or timely submit a Request for Contested Case Hearing in writing to the District that contains the information required by the District's rules. Written requests for Contested Case Hearing must be received at the District no later than 5:00 p.m. Friday, May 17, 2024. Written requests received after this deadline will not be considered to be timely filed and will not be further processed by the District. A person requesting a Contested Case Hearing who is unable to attend the Hearing posted in this notice must submit a written request for continuance to the District stating good cause for the inability to appear, which may be granted or denied at the discretion of the Presiding Officer of the District's Board of Directors. Contested Case Hearing Request forms, as well as further information on the permit applications described herein, may be obtained from the District office at 208 Kimberly Drive, Cleburne, Texas, 76031 (telephone number 817-556-2299). Requests for Contested Case Hearing may be mailed to the Prairielands GCD office at 208 Kimberly Drive, Cleburne, Texas, 76031. Public hearings and public meetings of the District are available to all persons regardless of disability. If you require special assistance to attend a hearing or meeting, please call (817) 556-2299 at least 24 hours in advance of the hearing or meeting to coordinate any special physical access arrangements.

At any time during the hearing and in compliance with the Texas Open Meetings Act, Chapter 551, Government Code, the Board may meet in a closed executive session for consultation concerning attorney-client matters (§551.071) to discuss matters included in this notice. Any subject discussed in executive session may be subject to action during an open hearing or meeting.
