If approved, the permit(s) and/or permit amendments requested in the applications above would authorize the permit holder to withdraw groundwater from a water well according to the terms and conditions set forth in the permit. If you would like to contest an application for a permit or permit amendment, you must comply with District Rule 10.6 and either appear at the hearing or submit a written Request for Contested Case Hearing that complies with District Rule 10.6 and that must be received by the District prior to the date of the hearing. A person who submits a written Request

for Contested Case Hearing who is unable to appear at the hearing on the date and time set forth above must also timely file a motion for continuance with PGCD demonstrating good cause for the inability to appear. For additional information about a particular permit application, the permitting process, or a compliance order application, or to obtain a Request for Contested Case Hearing form, please contact the PGCD office at (817) 556-2299. Blind persons who wish to have this notice read to them may call (817) 556-2299.

Certification

I, the undersigned authority, do hereby certify that on or before September 5, 2025, at or before 9:00 AM, I posted and filed the above notice of meeting(s) and hearing(s) with the Texas Secretary of State, the Ellis, Hill, Johnson, and Somervell county clerk's offices, and also posted a copy in the front window of the Prairielands GCD office in a place convenient and readily accessible to the general public at all times and that it will remain so posted continuously for at least 10 days preceding the scheduled time of said meeting in accordance with the Texas Government Code, Chapter 551.
